In Re: Asbestos Personal Injury Litigation
Kanawha County, WV (Mass Litigation Panel)
Civil Action No. 01-C-9000
Kanawha County, WV (Original Court filing)
Civil Action No. 99-C-1009

JOINT NOTICE OF REMOVAL

DaimlerChrysler Corporation, Ford Motor Company and General Motors Corporation (collectively the "Removing Defendants") file this Joint Notice of Removal pursuant to 28 U.S.C. §1452(a), and Rule 9027 of the Federal Rules of Bankruptcy Procedure, and in support thereof, state as follows:

1. On or about May 3, 1999, Plaintiff commenced a civil action (the "Action") against the Removing Defendants and certain other Defendants (collectively the "Other Defendants") in the Circuit Court of Kanawha County, West Virginia, Civil Action No. 99-C-1009. Said action is now consolidated and referred to the West Virginia Mass Litigation Panel pursuant to Administrative Order of West Virginia Supreme Court and presently styled in state court as In re: Asbestos Personal Injury Litigation, Civil Action No.: 01-C-9000 in the Circuit Court of Kanawha County, West Virginia. In the original Complaint commencing the Action, Plaintiff asserts various personal injury claims against Federal-Mogul Global, Inc., it's divisions and/or subsidiaries (collectively "Federal-Mogul") and the Removing Defendants

(1)

based on injuries allegedly caused by or arising out of exposure to friction products manufactured and/or sold by Federal-Mogul ("friction products"). Plaintiff seeks recovery from the Removing Defendants.

2. On October 1, 2001, Federal-Mogul filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware, thereby commencing case no. 01-10578 (the "Bankruptcy").

3. Pursuant to this Joint Notice of Removal, the Removing Defendants remove that portion of the Action that asserts claims and causes of action from exposure to friction products asserted therein, including, but not limited to, all friction products claims asserted against the Removing Defendants and the Other Defendants ("collectively the "Removed Claims").

4. The Removed Claims may be removed to this Court pursuant to 28 U.S.C. § 1452(a) by reasons of the following facts:

- (a) the Removed Claims are asserted in a civil action not exempt from removal; and
- (b) the Court has jurisdiction of the Removed Claims under 28 U.S.C. § 1334.

5. The Action is pending within the district and division of this Court.

6. This Joint Notice of Removal is timely filed under Rule 9027 of the Federal Rules of Bankruptcy.

7. Upon removal of this Action, the proceedings with respect thereto are non-core. The Removing Defendants do not consent to entry of a Final Order or Judgment by the Bankruptcy Judge [to the extent that the Bankruptcy Court is authorized to hear or determine such claims consistent with 28 U.S.C. § 157(b)(5)].

8. The Removing Defendants removed this Action in order to facilitate transfer of the Action to the United States District Court for the District of Delaware (the District

Court presiding over the Bankruptcy case) to resolve on a consolidated basis the common threshold scientific issues concerning whether brakes and other automotive parts cause disease. *See, e.g., In re: Dow Corning Corp.*, 1995 WL 495978, at *2 (Bankr. E.D. Mich. Aug. 9, 1995) [personal injury tort claims transferred to bankruptcy court pursuant to 28 U.S.C. § 157(b)(5) to resolve threshold scientific issues concerning whether silicone breast implants cause disease after removal to Federal Court pursuant to 28 U.S.C. § 1452(a)].

9. On November 20, 2001, the Removing Defendants filed a motion in the Bankruptcy case pursuant to 28 U.S.C. § 157(b)(5) to transfer the Action and all other claims related to friction products for consolidated resolution of the threshold scientific issues concerning whether brakes and other automotive parts cause disease. Attached to this Notice are copies of (1) the motion to transfer, which is currently pending before the United States District Court for the District of Delaware, and (2) the accompanying memorandum in support thereof.

10. Also filed concurrently herewith is an appendix with docket sheets reflecting all prior filings and an appendix showing initial process and pleadings served on these Defendants and the answers of the Removing Defendants.

WHEREFORE, the Removing Defendants give notice that the Action pending in the Circuit Court of Kanawha County, West Virginia, is hereby removed to this Court.

Respectfully submitted,

ADMINISTRATIVE ORDER

SUPREME COURT OF APPEALS OF WEST VIRGINIA

RE: ASSIGNMENT OF A SUPERVISING JUDGE TO PRESIDE IN ASBESTOS LITIGATION REFERRED TO THE MASS LITIGATION PANEL

WHEREAS, By Administrative Order entered November 17, 2000, the Chief Justice ordered all asbestos personal injury litigation pending in the Circuit Courts of this State to be referred to the Mass Litigation Panel; and

WHEREAS, On July 6, 2001, the Court issued an opinion granting a moulded Writ of Mandamus in three original jurisdiction actions related to management of the asbestos personal injury litigation: State ex rel. Ronald Allman, et al. v. Honorable A. Andrew MacQueen, III, Senior Status Judge, Mass Litigation Panel, et al., No. 29767; State ex rel. Mobil Oil Corporation v. Honorable A. Andrew MacQueen, III, Senior Status Judge, Mass Litigation Panel, et al., No. 29768; and State ex rel. Romie Kermit Jones, et al. v. Honorable A. Andrew MacQueen, III, Senior Status Judge, Mass Litigation Panel, et al., No. 29769; and

WHEREAS, The aforesaid opinion directed the Chief Justice to enter an order clarifying the procedure for referrals to the Panel, and designating an additional judge to work with, and to have the assistance of, the Honorable A. Andrew MacQueen, III, Senior Status Judge, and such additional circuit judges as may be assigned, in the administration of the asbestos personal injury litigation;

IT IS THEREFORE ORDERED, That the Honorable Martin J. Gaughan be, and he hereby is, assigned to the Circuit Court of Kanawha County, in the Thirteenth Judicial Circuit, under the provisions of Article VIII, Section 3, of the Constitution of West Virginia, for the purpose of presiding in the asbestos personal injury litigation filed in or transferred to and pending in the Circuit Court of Kanawha County, and such additional asbestos personal injury litigation as is hereafter filed in or transferred to the Circuit Court of Kanawha County, all known as Kanawha County Civil Action No. 01-C-9000; and

IT IS FURTHER ORDERED, That all asbestos personal injury cases filed subsequent to the Motion to Refer on June 27, 2000, are hereby transferred to the Mass Litigation Panel for inclusion in the appropriate trial group; and

IT IS FURTHER ORDERED, That any asbestos personal injury litigation filed subsequent to the entry of this order, may, upon appropriate order, be transferred to the Mass Litigation Panel for consideration of assignment to the appropriate trial group upon a motion of a party, or upon a motion of a member of the Mass Litigation Panel, or upon a motion of the

Honorable Martin J. Gaughan, or the judge subsequently assigned by the Chief Justice of the Supreme Court of Appeals of West Virginia to hear any case or trial group; and

IT IS FINALLY ORDERED, That a copy of this order be provided to lead counsel for the parties from whom the Court received pleadings in the original jurisdiction proceedings, to the Mass Litigation Panel, to all circuit court judges, and to the Clerk of the Circuit Court of Kanawha County, who is directed to provide a copy of same to all counsel of record in Civil Action No. 01-C-9000.

IN RE: ASBESTOS PERSONAL INJURY LITIGATION

CIVIL ACTION NO. 01-C-9000

MASTER FILE

FIRST MASTER CASE MANAGEMENT ORDER

Pursuant to Rule 26.01 of the West Virginia Trial Court Rules relating to mass litigation and the West Virginia Rules of Civil Procedure, **THE COURT HEREBY ORDERS** that, subject to any order severing any action or type of action from these proceedings, all asbestos personal injury litigation presently pending and to be filed in the future in the State of West Virginia, and as may be further defined herein, shall be governed by the terms of this Order.

1. **SCOPE OF ORDER.** The term "asbestos personal injury litigation," as used in this Order, shall include all personal injury or wrongful death actions filed in any Circuit Court in the State of West Virginia and alleging injury or death as a result of exposure to asbestos or asbestos-containing products. This Order consolidates discovery and other matters as stated herein which are common to all asbestos personal injury litigation and seeks to facilitate and expedite trials in these cases. Although this Order is entered by and filed with the Clerk of the Circuit Court of Kanawha County, West Virginia, it shall also be deemed to be entered in each asbestos personal injury lawsuit previously filed or to be filed in the future in any Circuit Court in the State of West Virginia.

2. **ADMINISTRATION.** The undersigned shall have the primary responsibility for the administration of the cases within the scope of the asbestos personal injury litigation. Administration includes general oversight of the litigation, case scheduling, pretrial management, ruling on routine motions as well as motions which relate to case

management, ruling on the admissibility of documents and the establishment of a document index, settlement activities and all related activity. The undersigned will seek the appointment, by the Chief Justice of the Supreme Court of Appeals, of additional judges to assist in the trial of cases as well as the performance of any necessary administrative activity.

3. **FILING OF CASES.** Asbestos personal injury litigation may continue to be filed in any appropriate Circuit Court in the State of West Virginia, and the file for any such litigation shall be maintained in the office of the Clerk of the Circuit Court where the case is filed. Notwithstanding this, each new case filed shall be governed by this Order. Upon the Order of any Judge designated by the Mass Litigation Panel to try a case or cases under this Order, the Clerk of the Circuit Court where the case was originally filed shall transfer the file to the Clerk of such other Circuit Court as the trial judge may direct.

4. **COORDINATING COUNSEL.** Within ten (10) days of the establishment of a trial group, counsel for the plaintiffs and counsel for the defendants shall caucus and each shall designate a Coordinating Counsel for that trial group, advise opposing counsel of the designation and file a notice of such designation in the Master file. Defendants may designate separate Coordinating Counsel for sub-groups of plaintiffs within a trial group. The responsibilities of Coordinating Counsel will be limited to the scheduling of depositions, scheduling and coordination of medical examinations, and the dissemination of information about the trial group. This Order does not authorize or enable Coordinating Counsel to appear for parties other than the specific client(s) of the Coordinating Counsel with regard to any matter. The appointments are for administrative purposes only and will not result in the relinquishment of any rights by any party. Coordinating counsel are authorized to assess the costs of their activity reasonably among the parties.

5. **MASTER FILE.** The Clerk of the Circuit Court of Kanawha County, West Virginia, shall maintain a Master file captioned IN RE: ASBESTOS PERSONAL INJURY LITIGATION, MASS LITIGATION PANEL, CIVIL ACTION NO. 01-C-9000, which shall contain this Order, any master pleadings, any master discovery requests

and responses authorized by this Order, and any other pleadings of general relevance. Upon request, the Clerk shall forward copies of any documents in the Master File to the Clerk of any other Circuit Court for inclusion with the case file applicable to any trial group.

5.1 Master Complaint. For all cases filed after the effective date of this Order, the following provisions shall apply:

5.1.1 Each plaintiffs' counsel may file a Master Complaint in the Master File asserting all allegations and theories of recovery against the defendants.

5.1.2 Thereafter, plaintiffs may incorporate this Master Complaint in a short form Complaint which shall, at a minimum, contain the name(s) and addresses of the plaintiff(s); date of diagnosis of any asbestos-related disease; the defendants sued by each particular plaintiff; the relief demanded; and statement that the Complaint is filed pursuant to this Order and incorporates by reference the allegations and theories of the Master Complaint. This Complaint shall be served in accordance with the West Virginia Rules of Civil Procedure. No plaintiff filing such short form Complaint shall be deemed to have waived any right to amend his/her Complaint or to assert any allegation, fact, or theory of recovery peculiar to his/her case.

5.1.3 Within 120 days of the filing of a short form Complaint, each plaintiff will provide to each defendant the completed "Trial Plaintiff Initial Information Sheet" attached hereto as Exhibit A.

5.2 Master Answer Any defendant may file a Master Answer to any plaintiff's Master Complaint in the Master File. Thereafter, as each Complaint is filed it should be sufficient for that defendant to incorporate by reference the responses and defenses set forth in its Master Answer. No defendant shall be deemed by the filing of the Master Answer to have waived the right to object to service of process, jurisdiction, venue or to assert any defense including those permitted under the West Virginia Rules of Civil Procedure. All defendants shall be deemed to have filed cross-claims for

contribution and implied indemnity against all other defendants, and all defendants shall be deemed to have filed answers to such cross-claims raising all appropriate defenses, except that this provision shall not effect jury selection or the order of presentation of evidence unless a cross-claim or cross-claims are noticed for and actually presented in the course of a trial.

5.3 Defendants' Joint Master Interrogatories. The defendants may file a set of joint Master Interrogatories to the plaintiff in the Master File. These Interrogatories shall be deemed filed and served in any individual asbestos personal injury lawsuit at the time of the filing of the Complaint. Nothing in this provision shall be deemed to waive the right of any defendant to file non-duplicative Interrogatories or the right of the plaintiff to whom such Interrogatories are directed to object thereto. Such Interrogatories shall be subject to all limitations in the West Virginia Rules of Civil Procedure. Any discovery request filed by one defendant shall be considered to have been filed by all defendants. Plaintiffs shall not be required to answer duplicative discovery requests.

5.4 Plaintiffs' Joint Master Interrogatories. Counsel for the plaintiffs shall be permitted to file one Master Set of General Interrogatories for each defendant in the Master file. The answers of each defendant to the plaintiffs' Master Interrogatories shall not be deemed to waive the right of any plaintiff to file non-duplicative case-specific Interrogatories or the right of the defendant to whom such Interrogatories are directed to object thereto. Such Interrogatories shall be subject to all limitations in the West Virginia Rules of Civil Procedure. Defendants shall not be required to answer duplicative discovery requests.

5.5 Defendants' Master Requests for Production of Documents. Defendants shall be permitted to file one Master Set of Requests for Production of Documents to each plaintiff in the Master File. Nothing in this section shall be deemed to waive the right of any party to file non-duplicative, case-specific Requests for Production consistent with the West Virginia Rules of Civil Procedure or the right of the party to whom such Requests for Production are directed to object thereto. Such Requests for Production shall be subject to all limitations in the West Virginia Rules of Civil Procedure. Plaintiffs shall not be required to answer duplicative discovery requests.

5.6 Plaintiffs' Master Requests for Production of Documents. Plaintiffs shall be permitted to file one Master Set of Requests for Production of Documents to each defendant in the Master File. Nothing in this section shall be deemed to waive the right of any party to file non-duplicative, case-specific Requests for Production consistent with the West Virginia Rules of Civil Procedure or the right of the party to whom such Requests for Production are directed to object thereto. Such Requests for Production shall be subject to all limitations in the West Virginia Rules of Civil Procedure. Defendants shall not be required to answer duplicative discovery requests.

5.7 Master Exhibit List. Each party may file a Master Exhibit List in the Master File. This Exhibit List may be adopted in any individual case without the necessity of filing the actual Exhibit List in that case. Exhibits shall be designated as to specific defendants, unless applicable to all defendants and, in that event, such exhibits shall be so designated. This subsection does not relieve any party from compliance with this Order. It shall not be necessary for any party to file exhibits in court until trial begins, provided that the list of exhibits and exhibits themselves are made available to opposing counsel upon request for inspection and copying in accordance with this Order. A copy of all exhibit lists and the exhibits themselves shall be submitted to the Document Repository referenced agreed to by the parties. All exhibits shall be "Bates stamped" or otherwise sequentially numbered.

5.8 Depositions.

5.8.1 All depositions shall be taken on not less than seven (7) days notice unless otherwise agreed.

5.8.2 Plaintiffs' disclosure of product or premises identification witnesses shall state the name, address and, if known, the phone number of each witness; the name of each manufacturer, distributor, installer, remover or brand of asbestos-containing product or respiratory protection equipment that the witness is expected to identify and the work site at which the product was witnessed.

5.8.3 Any defendant who is not identified in the disclosure required by Paragraph 2 above need not attend the deposition of the witness to whom the disclosure relates. Nothing in the transcript of the deposition may be used

against the defendant at trial and, absent an Order of Court permitting a re-deposition in advance of trial, the witness' testimony may not be used against the defendant for any purpose.

5.9 Motions.

5.9.1 Motions and responses on issues common to more than one case may be filed in the Master File. A party seeking to file a particular motion/response in a particular case, need not duplicate the entire motion/response and its attachments, but may simply file a motion/response adopting the motion/response filed in the Master File. The adoption must specify the date on which the motion/response was filed in the Master File.

5.9.2 The Administrative Judge shall rule on all motions filed in cases which have not yet been assigned to another judge for trial. In cases which have been set for trial, the following shall still be filed with the Administrative Judge: (a) general motions such as motions pro hac vice; (b) motions relating to discovery issues; (c) agreed orders; (d) motions regarding scheduling (including motions for joinder or severance); and (e) motions to file third party complaints.

5.9.3 Once a case is set for trial, all dispositive motions, motions in limine and motions with respect to the actual trial of the case including motions requesting rulings on the admissibility of evidence, relating to voir dire or similar issues, shall be filed with the judge assigned to preside over the trial of the case. All post trial motions shall be filed with the judge who presided over the trial of the case.

5.9.4 No Evidence Letters. No later than the date provided in this Order, the defendants may submit "no evidence letters" to plaintiffs in cases wherein defendants believe there is insufficient evidence of product or premises exposure to withstand summary judgment. It is the parties' intent that the use of "no evidence" letters will resolve cases without the necessity of filing motions for summary judgment and sufficiently in advance of trial so as to reduce

costs and further the judicial and administrative efficiency sought to be established by this Order. Plaintiffs shall respond to defendants' "no evidence" letters, either agreeing to dismissal or rejecting the letter, in accordance with the deadline in this Order. In instances where plaintiffs have rejected a "no evidence" letter, the affected defendant may file a motion for summary judgment.

5.9.5 Deadlines for Motions. Deadlines for the filing of motions are set out in this Order. The Court will attempt to rule on all pending motions by no later than fifteen (15) days prior to trial.

6. RECORDS.

6.1 Authorization for Release. Plaintiffs shall provide defendants with authorization sufficient to allow counsel for defendants to obtain plaintiff's social security records, employment records, worker's compensation records, tax records, medical records, x-rays, CT scans and/or pathology in accordance with this Order and an updated authorization within fifteen (15) days after a request for same. This provision shall apply only once a case is designated for trial.

6.2 Method for Obtaining Records. Medical records may be obtained by subpoena duces tecum with notice to all parties in lieu of scheduling a deposition of the physician or record custodian. The Clerk shall be authorized to issue such a subpoena. Additionally, any party may move the court for an order requiring a hospital or other healthcare provider to provide original x-rays, CT scans and pathology material, if the provider refuses to do so in response to a proper request by authorization or subpoena. However in the event that such original materials are obtained by a party and/or deposited with the medical records depository, it shall be the duty of the depository or attorney to make arrangements with the providing facility to promptly return any original materials that may be required by a hospital or doctor for use in any ongoing care or treatment of a particular plaintiff.

6.3 Medical Records Depository. A legible copy of all medical records (including all pulmonary function test reports with flow loops) and the originals of all x-rays, CT scans and pathology obtained by any party shall be placed with Defendant's

Coordinating Counsel or any Medical Counsel designated by defendants. It shall be the duty of the custodian of these records, x-rays, CT scans and pathology to keep a record of their whereabouts when they are being used by counsel and to preserve their integrity while they are in his/her custody and control. This provision shall apply only once a case is designated for trial. Plaintiffs have the right to obtain pathology and X-rays and to have them reviewed by an expert of their choice before sending such materials to Defense Coordinating Counsel or the Medical Records Repository.

6.4 Responsibility for Depositing Records For Trial Listed Cases.

6.4.1 Plaintiffs' Responsibility. Plaintiffs' counsel shall, in accordance with the Master Scheduling Order, provide to the medical records depository (1) a copy of all medical records, x-rays, CT scans, tests and pathology materials within the possession or control of plaintiffs or their counsel with regard to a specific plaintiff, not limited to records relating to any asbestos-related condition; and (2) the originals of any x-rays, CT scans and pathology materials obtained with regard to a specific plaintiff. Plaintiffs' counsel shall notify Defense Coordinating Counsel of the deposit identifying generally the records and materials being provided to the depository. Plaintiffs' counsel shall have a continuing duty to immediately deposit any additional records or materials obtained after the initial deposit and to notify Defense Coordinating Counsel of the deposit. Failure of plaintiff to deposit records or materials in accordance with this section shall preclude, except for good cause shown, any expert witness called by the plaintiff from using or referencing the particular records or materials at trial. Plaintiffs' counsel need not provide medical records or materials in response to any discovery request as long as the records or materials have been deposited with the medical depository and proper notice has been given.

6.4.2 Defendants' Responsibility. Any medical records, x-rays, CT scans, tests and/or pathology materials of a plaintiff generated as a result of an independent medical examination conducted at the request of defendant(s), shall be provided to the plaintiffs' counsel or medical records depository by

defense counsel in accordance with this Order. Failure of defendant(s) to deposit these records or materials by that time shall preclude, except for good cause shown, any expert witness called by the defendant(s) from using or referencing the records or materials generated by the independent medical examination at trial. Where, in the course of discovery, defense counsel obtains medical records or materials regarding a specific plaintiff which have not previously been deposited and which defense counsel intends to use at trial, counsel shall immediately deposit such records or materials and give the required notice.

7. PARTICIPATION BY ATTORNEYS ADMITTED PRO HAC VICE.

All parties will be expected to adhere to Rule 8.0(c) of the West Virginia Rules for Admission to the Practice of Law regarding the appearance of local counsel at hearings and on pleadings.

8. SANCTIONS. This order incorporates by reference the sanctions provided for in this Order. All such sanctions are in addition to sanctions otherwise provided by the Trial Court Rules and Rules of Civil Procedure.

9. NON-WAIVER. Nothing in this Order shall be deemed to constitute a waiver by any party of that party's objection to consolidation of any asbestos cases for trial. The parties are deemed to have preserved that objection without the need to raise it in each case that proceeds under this Order.

10. JOINT DEFENSE PRIVILEGE. The Joint Defense Privilege is preserved and by conferring or meeting or exchanging documents, defendants have not waived any attorney/client or work product privilege.

11. TRIALS.

11.1 Initial Stage. It is anticipated that, initially, all trials shall be comprised of limited groups of individual plaintiffs in which all issues in dispute between the plaintiffs and the defendants, including punitive damages, shall be at issue and submitted to the court and the jury for resolution. Consistent with the court's previous rulings, the initial trial dates are as follows: First trial group, September 3, 2001; Second trial group,

November 12, 2001; Third trial group, January 14, 2002; Fourth trial group, March 11, 2002, and the Fifth trial group, May 13, 2002. In addition, the parties shall continue to identify like groups and pursue discovery and related trial preparation for trials to be held, beginning on the second Monday of each alternate month thereafter, subject to a review and evaluation of the trial procedures to be conducted by the court and counsel, immediately following the March, 2002, trial. The following rules shall govern the trials in the Initial Stage:

11.1.1 The First trial group shall consist of 20 plaintiffs, all of whom allege that the plaintiff or the plaintiff's decedent suffered an asbestos induced cancer (including mesothelioma).

11.1.2 The Second trial group shall consist of two sub-groups of 25 plaintiffs each. Individual plaintiffs may be suffering from or may have suffered from any "disease process", or physical injury or disease which may be alleged to result from exposure to asbestos or asbestos containing products.

11.1.3 The Third and subsequent trial groups may be comprised of not more than four sub-groups of 25 plaintiffs each. Individual plaintiffs may be suffering from or may have suffered from any "disease process", or physical injury or disease which may be alleged to result from exposure to asbestos or asbestos containing products.

11.1.4 A spouse or other family member who asserts a claim for loss of consortium shall not be deemed to be a separate plaintiff for the purposes of determining the number of plaintiffs selected in a trial group or sub-group. However, a spouse or other family member of a plaintiff, who asserts an independent cause of action for alleged asbestos related disease shall be deemed to be a separate plaintiff.

11.1.5 In selecting any trial group or sub-group, the plaintiffs shall consider factors such as common product exposure, common work sites and related factors in order to minimize the required number of witnesses, to accommodate

defense counsel who may represent more than one defendant and to generally facilitate the trial process.

11.1.6 All claims against premises defendants and all claims made pursuant to West Virginia Code Section 23-4-2 will be included in the trials, unless severed upon Motion of a party and subsequent Order of the Court.

11.1.7 The plaintiffs shall have the right, subject to compliance with this Order, to substitute not more than two hardship cases for previously identified members of any trial sub-group. A hardship case is any claim, regardless of the disease process of the plaintiff or the plaintiff's decedent, in which there is a compelling reason to advance the case on the trial schedule and the circumstances giving rise to the hardship were not known to plaintiff's counsel at the time of the original designation of the members of a particular trial group. Hardship cases include, but are not limited to, any case in which exigent financial circumstances cause the plaintiff or the plaintiff's immediate family to be unable to afford critical medical care or the necessities of life and any case in which the plaintiff has been diagnosed with a immediately life threatening asbestos related disease. To substitute a hardship case, counsel for the plaintiff shall, not later than 90 days before the scheduled trial date in which the case is to be included:

11.1.7.1 Serve written notice of the substitution on counsel for the defendants. The notice shall identify the new plaintiff, the reason that it is asserted that the case is a hardship case and an affidavit by counsel stating the circumstances under which the facts related to the hardship were discovered. In addition, the motion shall include a completed Trial Plaintiff Initial Information Sheet.

1.1.7.2 Within 15 days of service of the notice, provide answers or responses and all other information which every other plaintiff will have already provided pursuant to this order and which would have otherwise been provided if the plaintiff had been identified in a timely manner for non-hardship cases. Counsel for defendants shall have fourteen days to object to any notice of substitution. Thereafter, plaintiffs shall have seven days to reply. The Court may rule on the

objection based on the written submissions or may seek oral argument before ruling. Any "hardship case" plaintiff, once made a part of a trial group, all remaining dates in the this order shall apply.

11.2 FELA Cases All claims asserted under the provisions of the Federal Employer's Liability Act are severed from this proceeding, subject to the Order of the Chief Justice of The West Virginia Supreme Court of Appeals referring these claims back to the circuit in which they were originally filed.

11.3 Schedule for First Trial Group:

11.6 Evaluation This court recognizes that there are widely divergent views among the several parties and counsel represented in this extensive collection of actions. The procedures set out in this order represent an effort to develop a more analytical approach to this litigation than has been employed by this court in the past. Therefore, as was indicated in paragraph 11.1 above, the court intends to evaluate the general trial format established by this order after the fourth trial group has been resolved. To that end, counsel and the parties are informed that the court will entertain further arguments and observations upon the completion of the March 2002 trial in order to determine if any modifications are appropriate to the overall case management practices.

12. Objections Many of the details of this Order have resulted from the cooperation and agreement of counsel. However, some parties object to particular aspects of this Master Case Management Order. These objections will be preserved if a party files a written objection, setting forth the particulars of the objection, within 20 days of the receipt of this order.

The Clerk of this court is directed to forward certified copies of this order to representative counsel and to all of the other circuit clerks in the State.

This Plaintiff asserts claims against all the above defendants with the exception of AlliedSignal, Inc., Borg-Warner Automotive, Inc., Carlisle Companies, Inc., Carlisle Motion Control Industries, DaimlerChrysler Corporation, Ford Motor Company, General Motors Corporation, Moog Automotive, Inc., Foster Wheeler Corporation, Foster Wheeler Energy Corporation, Rapid American Corporation and Georgia Pacific Corporation.

g) Plaintiffs Millard V. Evans and Shelby Evans, his wife, are citizens and residents of the State of West Virginia. Plaintiff Millard V. Evans was exposed to asbestos and other harmful dusts while employed at Virginia Railroad in Princeton, WV as an Laborer from 1946 to 1947 and while employed by United Pocahontas at various coal mines in Crumpler, WV and Mullins, WV as an Electrician/Foreman from 1955 to 1988. This Plaintiff asserts claims against all the above defendants with the exception of A & I Company, Foseco, Inc., Harbison-Walker

Refractories, Dresser Industries, Inc., General Refractories Company, North American Refractories Company, Quin-T- Pennsylvania, Kaiser Aluminum Corporation, Ohio Valley Insulating, Plibrico Corporation, Union Boiler Company, AlliedSignal, Inc., Borg-Warner Automotive, Inc., Carlisle Companies, Inc., Carlisle Motion Control Industries, DiamlerChrysler Corporation, Ford Motor Company, General Motors Corporation, Moog Automotive, Inc., Foster Wheeler Corporation, Foster Wheeler Energy Corporation and Georgia Pacific Corporation.

h) Plaintiffs Rex E. Kingery and Margaret Kingery, his wife, are citizens and residents of the State of West Virginia. Plaintiff Rex E. Kingery was exposed to asbestos and other harmful dusts while employed at INCO Alloys in Huntington, WV as an Electrician/Laborer from 1956 to 1997. This Plaintiff asserts claims against all the above defendants with the exception of A & I Company, Foseco, Inc., Harbison-Walker Refractories, Dresser Industries, Inc., General Refractories Company, North American Refractories Company, Quin-T- Pennsylvania, Kaiser Aluminum Corporation, Ohio Valley Insulating, Plibrico Corporation, Union Boiler Company, AlliedSignal, Inc., Borg-Warner Automotive, Inc., Carlisle Companies, Inc., Carlisle Motion Control Industries, DiamlerChrysler Corporation, Ford Motor Company, General Motors Corporation, Moog Automotive, Inc., Foster Wheeler Corporation, Foster Wheeler Energy Corporation and Georgia Pacific Corporation.

i) Plaintiffs Jon D. Rulen and Candace Rulen, his wife, are citizens and residents of the State of Ohio. Plaintiff Jon D. Rulen was exposed to asbestos and other harmful dusts while employed at AK Steel (formerly Armco Steel) in Ashland, KY as a Laborer/Iron Pourer Helper from 1967 1993 and while employed at Rulin's Automotive in South Point, OH and Chesapeake, OH from 1965 to 1970. This Plaintiff asserts claims against all the above defendants

with the exception of Kaiser Aluminum Corporation, Foster Wheeler Corporation, Foster Wheeler Energy Cooperation and Georgia Pacific Corporation.

2. The defendants herein are corporations some of which are West Virginia corporations and some of which are corporations of other states.

3. All of the defendants are either licensed and registered to do business in West Virginia, Kentucky and Ohio or have done business in the state by putting their products into the stream of commerce in the West Virginia, Kentucky and Ohio.

4. All of the Plaintiffs' claims exceed the jurisdictional minimum for this Court.

5. Based upon the above, jurisdiction and venue is proper in this case.

COUNT I - NEGLIGENCE

6. Over the course of his working years, the first named Plaintiffs (hereinafter "the Plaintiffs") worked with and/or around products containing asbestos and/or other harmful minerals manufactured, supplied, sold, distributed and installed by the defendants. As a result, the Plaintiffs breathed asbestos and other harmful dusts created by the use of said products, and developed serious, permanent and disabling lung diseases.

7. The defendants and each of them by their agents, servants and employees were negligent in that they knew or should have known that the use of their products would cause serious lung diseases and cancer, and knowing same, did fail to take reasonable precautions to warn the Plaintiffs of the dangers to which they were exposed, did fail to inform the Plaintiffs of what would be safe and sufficient wearing apparel and safety equipment for persons who were exposed to their products, did fail to inform the Plaintiff of what would be safe and proper methods of handling and using the products, did fail to remove the products from the market when they knew or should have known

of the hazards associated with the use of the products, did fail to properly and adequately label the products, did sell the products which were not in a reasonably safe condition, did fail to supply accurate and complete warnings of the known dangers involved in the use of and exposure to the products, did fail to use safe, substitute products when such were available, did negligently install the products without taking precautions to warn and protect the Plaintiffs.

8. Such actions and failure to act on the part of each defendant constituted malicious, willful and wanton misconduct with complete disregard for the safety and rights of others, amounting to extraordinary and outrageous conduct especially when the defendants were aware of scientific and medical data made available to them that their products were harmful and deadly to workers who were exposed to them.

9. As a direct and proximate result of the negligence of the defendants which caused them to develop serious, permanent and disabling lung diseases, the Plaintiffs have suffered damages including but not limited to medical expenses, great pain of body and mind, embarrassment, inconvenience, loss of wages and wage earning capacity, loss of the quality and enjoyment of their lives, shortening of their life expectancy, cancer and increased risk of mesothelioma with the worry and concern that naturally flows from such increased risk, permanent and disabling injury, all of which will continue into the future.

WHEREFORE, the Plaintiffs individually demand judgment against the defendants, jointly and severally, for compensatory damages in an amount deemed just and proper by the jury to adequately and fully compensate them for their damages and punitive damages in an amount deemed just by the jury, with interest and costs of suit herein.

COUNT II - STRICT LIABILITY

10. The Plaintiffs incorporate by reference as if fully set forth herein the allegations contained in paragraphs 1 through 9 above.

11. At the time the defendants placed their products on the market, such products contained defects which created an unreasonable risk of harm to those likely to use or be exposed to the product, to wit; (a) exposure to the product caused cancer and lung diseases, (b) no warning or an inadequate warning was given to users or persons exposed to the product.

12. At the time of Plaintiffs' exposure, the products were being used for the purposes for which they were intended, the products were in substantially the same condition as when they left the control of each of the defendants and the Plaintiffs had no knowledge of the defects and no reason to suspect a defective condition.

13. As a sole, direct and proximate result of the defective products manufactured, supplied and sold by the defendants, the Plaintiffs developed severe, permanent and disabling lung diseases and suffered the damages and losses enumerated in Count I above.

WHEREFORE, the Plaintiffs individually demand judgment against the defendants, jointly and severally, for compensatory damages in an amount deemed just and proper by the jury to adequately and fully compensate them for their damages and punitive damages in an amount deemed just by the jury, with interest and costs of suit herein.

COUNT III - CONSPIRACY

14. The Plaintiffs were employed in capacities which placed them in close proximity with asbestos and asbestos-related materials, manufactured and/or distributed by one or more of the

defendants. Plaintiffs' presences were known or should have been known to the defendants and each of them.

15. The Plaintiffs were exposed to the asbestos products manufactured by one or more of the defendants named in paragraph 16 below. The exposure to the asbestos or asbestos-related products manufactured by the defendants proximately contributed to the disease suffered by Plaintiffs as described below.

16. The defendants as specifically identified below, individually and as agents of one another and as co-conspirators, agreed and conspired among themselves and with other asbestos manufacturers and distributors to injure the Plaintiffs in the following fashion:

a) Beginning in approximately 1934, conspirator Johns-Manville Corporation and Metropolitan Life Insurance Company through their agents, Vandiver Brown and attorney J.C. Hobart, and conspirator Raybestos-Manhattan, through its agents, Sumner Simpson and J. Rohrbach, suggested to Dr. Anthony Lanza, Associate Director, Metropolitan Life Insurance Company (insurers of Manville and Raybestos), that Lanza publish a study on asbestosis in which Lanza would affirmatively misrepresent a material fact about asbestos exposure; that is the seriousness of the disease process, asbestosis. This was accomplished through intentional deletion of Lanza's description of asbestosis as "fatal" and through other selective editing that affirmatively misrepresented asbestos as a disease process less serious than it actually is and was known to be then. As a result, Lanza's study was published in the medical literature in this misleading fashion in 1935. The conspirators were motivated, in part, to effectuate this fraudulent misrepresentation and fraudulent nondisclosure by the desire to influence proposed legislation to regulate asbestos exposure and to provide a defense in lawsuits involving Manville, Raybestos and Metropolitan Life,

as insurer.

b) In 1936, conspirators American Brake Block Corporation (ABEX), Asbestos Manufacturing Company, Gatke Corporation, Johns-Manville Corporation, Keasby & Mattison Company (then an alter-ego to conspirator Turner & Newall), Raybestos-Manhattan, Russell Manufacturing (whose liabilities have been assumed by H.K. Porter Company), Union Asbestos and Rubber Company and United States Gypsum Company, entered into an agreement with the Saranac Laboratories. Under this agreement, these conspirators acquired the power to decide what information Saranac Laboratories could publish about asbestos disease and could also control in what form such publications were to occur. This agreement gave these conspirators power to affirmatively misrepresent the results of the work at Saranac, and also gave these conspirators power to suppress material facts included in any study. On numerous occasions thereafter, the conspirators exercised their power to prevent Saranac scientists from disclosing material scientific data, resulting in numerous misstatements of fact being made at scientific meetings.

c) On November 11, 1948, representatives of the following conspirators met at the headquarters of Johns-Manville Corporation: American Brake Block Corporation (ABEX), Gatke Corporation, Keasby & Mattison Company (then an alter-ego to conspirator Turner & Newall), Raybestos-Manhattan, Inc., Thermoid Company (whose assets and liabilities were later purchased by H.K. Porter Company), Union Asbestos and Rubber Company, United States Gypsum Company and Metropolitan Life Insurance Company. U.S. Gypsum did not send a representative to the meeting, but instead authorized Vandiver Brown of Johns-Manville to represent its interest at the meeting and to take action on its behalf.

d) At this November 11, 1948 meeting, these defendants and their representatives decided to exert their influence to materially alter and misrepresent material facts about the substance of research started by Dr. Leroy Gardner at the Saranac Laboratories beginning in 1936. Dr. Gardner's research involved the carcinogenicity of asbestos in mice and also included an evaluation of the health effects of asbestos on humans with a critical review of the then-existing standards of dust exposure for asbestos and asbestos products.

e) At this meeting, these defendants intentionally and affirmatively determined that Dr. Gardner's work should be edited to specifically delete material facts about the cancer-causing propensity of asbestos and the health effects of asbestos on humans and the critique of the dust standards and then published same in the medical literature as edited by Dr. Vorwald. These defendants thereby fraudulently misrepresented the risks of asbestos exposure to the public, in general, and the class of persons exposed to asbestos, including the Plaintiffs.

f) As a direct result of influence exerted by the above-described conspirators, Dr. Vorwald published Dr. Gardner's edited work in the Journal of Industrial Hygiene, AMA Archives of Industrial Hygiene and Occupational Health in 1951 in a form that stressed those portions of Dr. Gardner's work that the conspirators wished stressed, but which omitted references to human asbestosis and cancer, thereby fraudulently and affirmatively misrepresenting the extent of the risks. The conspirators affirmatively and deliberately disseminated this misleading Vorwald publication to university libraries, government officials, agencies and others.

g) Such action constituted a material affirmative misrepresentation of the total context of material facts involved in Dr. Gardner's work and resulted in creating an appearance that inhalation of asbestos was less of a health problem than Dr. Gardner's unedited work indicated.

h) The following conspirators were members of the trade association known as Quebec Asbestos Mining Association (Q.A.M.A.): Johns-Manville Corporation, Carey-Canada, individually and as successor to Quebec Asbestos Corporation, the Celotex Corporation, successor to Quebec Asbestos Corporation, National Gypsum Company, and Turner & Newall, individually and successor to Bell Asbestos and Asarco. Asarco acted through Lake Asbestos. These conspirators, members of Q.A.M.A., participated in the above-described misrepresentation of the work of Dr. Leroy Gardner published by Arthur Vorwald in the AMA Archives of Industrial Health in 1951. Evidence of the Q.A.M.A.'s involvement in this misrepresentation arises from co-conspirator Johns-Manville's membership of the Q.A.M.A., as well as correspondence from co-conspirators dated 10/29/47, 11/26/47, 3/6/38, 10/15/48, 3/8/49 and 9/6/50, and all indicating close monitoring of the editing process of Q.A.M.A.'s representative, Ivan Sabourin, acting on behalf of all Q.A.M.A. members.

i) Defendants who were members of the Q.A.M.A. as described above, began in or about 1950 to formulate a plan to influence public opinion about the relationship between asbestos and cancer by influencing the medical literature on this subject and then touting and disseminating this literature to the public and to organizations and legislative bodies responsible for regulatory control of asbestos with the specific intent of misrepresenting the existing scientific information and suppressing contrary scientific data in their possession and control.

j) This plan of misrepresentation and influence over the medical literature began in or about 1950 when the aforementioned Q.A.M.A. members selected Saranac Laboratories to do an evaluation of whether cancer was related to asbestos. After a preliminary report authored by Arthur Vorwald in 1952 indicated that a cancer/asbestos relationship might exist in experimental animals,

these Q.A.M.A. members refused to further fund the study and it was terminated and never publicly discussed.

k) As a result of the termination of this study, these defendants fraudulently withheld information from the public and affirmatively misrepresented to the public and responsible legislative and regulatory bodies that asbestos did not cause cancer, including affirmative misrepresentations by conspirators' agents K.W. Smith, M.D., Paul Cartier, M.D., A.J. Vorwald, M.D., A. J. Lanza, M.D., Vandiver Brown and Ivan Sabourin, said misrepresentations being directed to inter alia, U.S. Government officials, Canadian government officials, U.S. National Cancer Institute, other medical organizations and the general public, including Plaintiffs.

l) Subsequently, the Q.A.M.A. defendant conspirators contracted with the Industrial Hygiene Foundation (IHF) and Dr. Daniel Braun to further study the relationship between asbestos exposure, asbestosis and lung cancer. In 1957, Drs. Brown and Truan reported to the Q.A.M.A. that asbestosis did increase a worker's chances of incurring lung cancer.

m) The Q.A.M.A. defendant conspirators/members thereafter caused, in 1958, a publication of the work by Braun and Truan in which the findings regarding increased incidence of cancer in persons with asbestosis was edited out by agents of the Q.A.M.A. The published version of this study contained a conclusion that asbestos exposure, alone, did not increase the incidence of lung cancer, a conclusion known by the defendant conspirators to be patently false.

n) By falsifying and causing publication of studies concluding that asbestos exposure did not cause lung cancer and simultaneously omitting a documented finding that asbestosis did increase the risk of lung cancer, these Q.A.M.A. defendant conspirators affirmatively misrepresented to the public and concealed from the public the extent of risks associated with inhalation of asbestos

fibers.

o) In approximately 1958, these Q.A.M.A. defendant conspirators publicized the edited works of Drs. Braun and Truan at a symposium in an effort to fraudulently misrepresent to the public and persons exposed to asbestos that the inhalation of asbestos dust would not cause cancer.

p) The fraudulent misrepresentations beginning in 1946 as elaborated above and continuing with the publication of the 1958 Braun/Truan study influenced the standards set for threshold limit values for development of such standards to fail to lower the threshold limit value because of a cancer risk associated with asbestos inhalation.

q) In 1967, Q.A.M.A. conspirators determined at their trade association meeting that they would intentionally mislead consumers about the extent of risks involved in inhalation of asbestos products.

r) In 1952, a Symposium regarding the health effects of asbestos was held at the Saranac Laboratories. The following conspirators were in attendance: Johns-Manville, Turner & Newall, Raybestos-Manhattan, and Q.A.M.A. members by way of their agents, Cartier, Sabourin and LaChance.

s) At this meeting, the occurrence of lung cancer and asbestosis in product users was discussed and the carcinogenic properties of all fiber types of asbestos was also discussed. In an affirmative attempt to mislead the public about the extent of health risks associated with asbestos, and in an effort to fraudulently conceal those risks from the public, these defendants conspired to prevent publication of the record of this 1952 Saranac Symposium and it was not published. In addition, the conspirators induced Vorwald not to announce the results of his and Gardner's animal

studies showing excess cancers in animals which thereby fraudulently misrepresented existing secret data which could not be publicized owing to the secrecy provisions contained in the 1936 Saranac agreement heretofore described.

t) The following conspirators were members of the trade organization known as the Asbestos Textile Institute (ATI): Raybestos-Manhattan, Johns-Manville, H.K. Porter, Keasby & Mattison, individually and through its alter-ego Turner & Newall, and National Gypsum, Uniroyal, Inc., individually and through its alter-egos, CDU Holding Company, Uniroyal Holding Company and Uniroyal Goodrich Tire Company.

u) In 1947, these conspirators, members of the ATI, received a report from W.C.L. Hemeon regarding asbestosis, which suggested re-evaluation of the then-existing threshold limit values for asbestos exposure. These defendants caused this report not to be published and thereby fraudulently concealed material facts about asbestos exposure from the public and affirmatively misrepresented to the public and class of persons exposed to asbestos that the existing threshold limit value was acceptable. Thereafter, these defendant conspirators withheld additional material information on the dust standards from The American Conference of Governmental Industrial Hygienists (ACGIH), thereby further influencing evaluations of threshold limit values for asbestos exposure.

v) In 1953, conspirator National Gypsum, through its agents, in response to an inquiry from the Indiana Division of Industrial Hygiene regarding health hazards of asbestos spray products, refused to mail a proposed response to that division indicating that respirators should be worn by applicators of the products. National Gypsum's response distorted and fraudulently misrepresented the need for applicators of asbestos spray products to wear respirators and

fraudulently concealed from such applicators the need for respirators.

w) In 1955, conspirator Johns-Manville, through its agent Kenneth Smith, caused to be published in the AMA Archives of Industrial Health, an article entitled "Pulmonary Disability in Asbestos Workers." This published study materially altered the results of an earlier study in 1949 concerning the same set of workers. This alteration of Dr. Smith's study constituted a fraudulent and material misrepresentation about the extent of the risk associated with asbestos inhalation.

x) In 1955, the National Cancer Institute held a meeting at which conspirator Johns-Manville, individually and as an agent for other alleged co-conspirators and A. Vorwald, as agent of co-conspirators, affirmatively misrepresented that there were no existing animal studies concerning the relationship between asbestos exposure and cancer, when, in fact, the conspirators were in secret possession of several studies which demonstrated that positive evidence did exist.

y) In 1957, these conspirators, members of the ATI, jointly rejected a proposed research study on cancer and asbestos and this resulted in fraudulently concealed from the public material facts regarding asbestos exposure and also constituted an affirmative misrepresentation of the then-existing knowledge about asbestos exposure and lung cancer.

z) In 1964, conspirators who were members of the ATI met to formulate a plan for rebutting the association between lung cancer and asbestos exposure that had been recently discussed by Dr. Irving J. Selikoff. Thereafter, these members of the ATI embarked upon a campaign to further misrepresent the association between asbestos exposure and lung cancer.

aa) All conspirators identified above approved and ratified and furthered the previous conspiratorial acts of conspirators Johns-Manville, Raybestos Manhattan and A.J. Lanza, acting on behalf of Metropolitan Life Insurance Company, and all alleged co-conspirators during the dates and

circumstances alleged above, acted as agents and co-conspirators for the other conspirators.

bb) The Mellon Institute and the Industrial Hygiene Foundation (IHF) were a research institute whose functions included involvement in research regarding the health effects of inhaling asbestos dust.

Beginning in the early 1940's, the IHF was involved in a study by W.C.L. Hemeon entitled Report of Preliminary Dust Investigation for Asbestos Textile Institute, June 1947. This study was done in connection with members of the Asbestos Textile Institute (ATI). This study found that workers exposed to less than the recommended threshold limit value for asbestos were nevertheless developing disease. The IHF never published this study.

Beginning in the mid-1950's, the IHF and Mellon Institute were involved in the publication of works by Drs. Braun and Truan entitled "An Epidemiological Study of Lung Cancer in Asbestos Miners". In its original form in September, 1957, this study had concluded that workers with asbestosis had an increased incidence of lung cancer and that the Canadian government had been under-reporting cases of asbestosis. The final published version of this study in June, 1958, deleted the conclusion that workers with asbestosis suffered an increased incident of lung cancer and that the Canadian government had been under-reporting cases of asbestosis.

The IHF and the Mellon Institute conspired with the members of the Quebec Asbestos Mining Association (Q.A.M.A.) and their legal counsel, Ivan Sabourin, to delete the above-described information regarding asbestos and cancer.

The above-described actions of the IHF and the Mellon Institute constituted intentional deception and fraud in actively misleading the public about the extent of the hazards connected with breathing asbestos dust.

The above-described actions of the IHF and the Mellon Institute substantially contributed to retarding the development of knowledge about the hazards of asbestos and thereby substantially contributed to injuries suffered by the Plaintiffs.

17. The acts of the defendant conspirators as described above, constitute a fraudulent concealment and/or a fraudulent misrepresentation which proximately caused injury to the Plaintiffs in the following manner:

a) The material published or caused to be published by the defendants was false and incomplete in that the defendants knowingly and deliberately deleted references to the known health hazards of asbestos and asbestos-related products.

b) Defendants individually, as members of a conspiracy, and as agents of other co-conspirators, intended that the publication of false and misleading reports and/or the nondisclosure of documented reports of the health hazards of asbestos:

(1) maintain a favorable atmosphere for the continued sale and distribution of asbestos and asbestos-related products;

(2) assist in the continued pecuniary gain of the defendants through the sale of their products;

(3) influence in the defendants' favor proposed legislation to regulate asbestos exposure and;

(4) to provide a defense in law suits brought for injury resulting from asbestos disease.

c) Plaintiffs reasonably relied upon the published medical and scientific data documenting the purported safety of asbestos and asbestos-related products, and the absence of

published medical and scientific reports on the hazards of asbestos and asbestos-related products to continue his exposure to asbestos because he believed it to be safe.

d) Defendants individually, as members of a conspiracy, and as agents of other co-conspirators intended that Plaintiffs rely upon the published reports regarding the safety of asbestos and asbestos-related products and upon the absence of published medical and scientific data regarding the hazards of asbestos and asbestos-related products, to continue their exposure to those products.

e) Defendants individually, as members of a conspiracy, and as agents of other co-conspirators are in a position of superior knowledge regarding the health hazards of asbestos and therefore Plaintiffs had a right to rely on the published reports commissioned by the defendants regarding the health hazards of asbestos and the absence of published medical and scientific data regarding the hazards of asbestos and asbestos-related products.

f) Plaintiffs suffered injury as a direct and proximate result of the acts alleged herein, and damages as described in Count 1 above.

WHEREFORE, the Plaintiffs individually demand judgment against the defendants, jointly and severally, for compensatory damages in an amount deemed just and proper by the jury to adequately and fully compensate them for their damages and punitive damages in an amount deemed just by the jury, with interest and costs of suit herein.

COUNT IV - LOSS OF CONSORTIUM

18. Plaintiffs incorporate by reference as if fully set forth herein the allegations contained in paragraphs 1 through 17 above. Plaintiffs' spouses have by reason of the lung disease and

disabilities suffered by the first named Plaintiffs have suffered and will continue to suffer into the future the permanent loss of the consortium, guidance, kindly office, support and services of their spouses as well as damage to the marital relationship.

WHEREFORE, the Plaintiffs' spouses individually demands judgment against the defendants, jointly and severally, for compensatory damages in an amount deemed just and proper by the jury to adequately and fully compensate them for their damages and punitive damages in an amount deemed just by the jury, with interest and costs of suit herein.

COUNT V (PPG ONLY)

(Negligence)

33. Defendant PPG Industries, Inc. (hereinafter "PPG") is the parent corporation of Pittsburgh-Coming Corporation, (hereinafter "subsidiary") a former manufacturer and marketer of asbestos-containing products.

34. The Plaintiffs were exposed to the asbestos-containing products manufactured by the subsidiary.

35. At all times relevant herein, defendant PPG intervened on behalf of its subsidiary and researched the dangers and health consequences of asbestos exposure.

36. Defendant and its subsidiary shared a common medical director who conducted the research on the hazards of asbestos exposure.

37. Through this undertaking, defendant created a duty to those, like the Plaintiffs, who would come in contact with the asbestos contained in the products manufactured by its subsidiary.

38. Defendant, upon assuming this duty and responsibility, failed to perform with reasonable care.

39. Defendant PPG created a dangerous, harmful and potentially deadly situation by not sharing its data on the dangers of asbestos exposure with those reasonably likely to be exposed, such as the Plaintiffs.

40. Defendant breached its duty to the Plaintiffs by:

- a) failing to reasonably warn the Plaintiffs of the hazards of asbestos exposure;
- b) failing to act reasonably with regard to the information it possessed concerning the hazards of exposure to asbestos;
- c) failing to provide the Plaintiffs with the knowledge as to the possible precautions to protect against the harmful effects of asbestos exposure;
- d) failing to share its data on the dangers of asbestos exposure with those reasonably likely to be exposed, such as the Plaintiffs;
- e) concealing the information it possessed about the hazards of asbestos from those reasonably likely to be exposed, such as the Plaintiffs; and
- f) was otherwise negligent.

41. As a direct and proximate result of the negligence of defendant PPG Industries, Inc., the Plaintiffs developed severe, permanent and disabling lung diseases and suffered the damages and losses enumerated in Count I above.

WHEREFORE, the Plaintiffs individually demand judgment against the defendant, PPG Industries, Inc., jointly and severally, for compensatory damages in an amount deemed just and proper by the jury to adequately and fully compensate them for their damages and punitive damages

in an amount deemed just by the jury, with interest and costs of suit herein.

COUNT VI (PPG ONLY)

42. Plaintiff repeats and realleges all allegations contained in paragraphs 33 to 41 above.

43. Defendant PPG undertook to render services for its subsidiary; to wit, research on the health effects of asbestos exposure.

44. Defendant PPG did or reasonably should have recognized this undertaking was necessary for the protection of third parties.

45. Defendant PPG breached this duty to third parties, such as the Plaintiffs, by failing to exercise reasonable care to protect them from or warn them of the health hazards of asbestos exposure.

46. Defendant's failure to exercise reasonable care increased the risk of harm.

47. As a direct and proximate result of the negligence of defendant PPG Industries, Inc., Plaintiffs developed severe, permanent and disabling lung diseases and suffered the damages and losses enumerated in Count I above.

WHEREFORE, the Plaintiffs individually demand judgment against the defendant, PPG Industries, Inc., jointly and severally, for compensatory damages in an amount deemed just and proper by the jury to adequately and fully compensate them for their damages and punitive damages in an amount deemed just by the jury, with interest and costs of suit herein.

COUNT VII(PPG ONLY)

48. The Plaintiff repeats and realleges all allegations contained in paragraphs 33 through 47 above.

49. Defendant PPG's subsidiary owed a duty to the Plaintiffs to reasonably research the health effects of asbestos exposure.

50. Defendant PPG undertook to perform this duty owed to the Plaintiffs.

51. Defendant PPG breached this duty it undertook to perform for its subsidiary by:

- a) failing to reasonably warn the Plaintiffs of the hazards of asbestos exposure;
- b) failing to act reasonably with regard to the information it possessed with regard to the hazards of exposure to asbestos;
- c) failing to provide the Plaintiffs with the knowledge as to the possible precautions to protect against the harmful effects of asbestos exposure;
- d) failing to share its data on the dangers of asbestos exposure with those reasonably likely to be exposed, such as Plaintiffs;
- e) concealing the information it possessed about the hazards of asbestos from those reasonably likely to be exposed, such as Plaintiffs; and
- f) was otherwise negligent.

52. As a direct and proximate result of the negligence of defendant PPG Industries, Inc., the Plaintiffs developed severe, permanent and disabling lung diseases and suffered the damages and losses enumerated in Count I above.

WHEREFORE, the Plaintiffs individually demand judgment against the defendant, PPG Industries, Inc., jointly and severally, for compensatory damages in an amount deemed just and

proper by the jury to adequately and fully compensate them for their damages and punitive damages in an amount deemed just by the jury, with interest and costs of suit herein.

COUNT VIII (PPG ONLY)

53. The Plaintiffs repeat and reallege all allegations contained in paragraphs 33 through 52 above.

54. The Plaintiffs relied to their detriment on the undertaking of defendant PPG to research and warn them of the health hazards of asbestos exposure.

55. As a direct and proximate result of the negligence of defendant PPG Industries, Inc., the Plaintiffs developed severe, permanent and disabling lung diseases and suffered the damages and losses enumerated in Count I above.

WHEREFORE, the Plaintiffs individually demand judgment against the defendant, PPG Industries, Inc., jointly and severally, for compensatory damages in an amount deemed just and proper by the jury to adequately and fully compensate them for their damages and punitive damages in an amount deemed just by the jury, with interest and costs of suit herein.

COUNT IX(PPG ONLY)

(Conspiracy)

56. The Plaintiffs repeat and reallege all allegations contained in paragraphs 33 through 55 above.

57. Defendant PPG and its subsidiary, individually and in concert with each other and others, knowingly agreed and conspired among themselves to engage in a course of conduct that was

reasonably likely to result in injury to the Plaintiffs.

58. Defendant PPG knew or should have known that the failure of its subsidiary to warn the Plaintiffs of the harmful effects of asbestos exposure would cause Plaintiffs' injury.

59. Defendant PPG gave substantial assistance and/or encouragement to its subsidiary in accomplishing the injury to the Plaintiffs.

60. As a direct and proximate result of the conspiracy between defendant PPG and its subsidiary, Plaintiffs developed severe, permanent and disabling lung diseases and suffered the damages and losses enumerated in Count I above.

WHEREFORE, the Plaintiffs individually demand judgment against the defendant, PPG Industries, Inc., jointly and severally, for compensatory damages in an amount deemed just and proper by the jury to adequately and fully compensate them for their damages and punitive damages in an amount deemed just by the jury, with interest and costs of suit herein.

COUNT X

(FELA- Railroad Defendants Only)

61. This is an action for asbestos-related personal injuries arising under the provisions of the Federal Employer's Liability Act, 45 U.S.C. Section 51, et seq., specifically including the Federal Safety Appliance Act, 45 U.S.C. Sections 1 through 16, The Locomotive Boiler Inspection Act, 45 U.S.C. Sections 22 through 34 and common law negligence principles.

62. This Court has jurisdiction over this case under 45 U.S.C. Section 51 et seq. and 28 U.S.C. Section 1445 (non-removable actions).

63. Plaintiffs, while employees of the railroad, contracted occupational diseases within the

scope of that employment.

64. The amount in controversy, exclusive of interest and costs, exceeds the jurisdictional amount of this Court and this Court has jurisdiction and venue hereof.

65. CSX Transportation, Inc. is a successor to the Chesapeake & Ohio Railroad Company and is a Virginia corporation. Hereinafter, this defendant is referred to as "the railroad".

COUNT XI-(FELA)

66. During employment with the railroad, each of these plaintiffs was exposed to asbestos and asbestos-containing products on a repeated basis as well as other harmful dusts. Plaintiff was required by the railroad to work with and near toxic asbestos and asbestos-containing products and other harmful dusts.

67. The specific plaintiffs were unaware of the toxic propensities of the asbestos and asbestos-containing products and other harmful dusts to which they were exposed.

68. As a direct and proximate result of their exposure to asbestos and asbestos-containing products and other harmful dusts, without any lack of due care on their part, each of these particular plaintiffs contracted asbestosis and other dust diseases related to such exposure.

69. These Plaintiffs were unaware of the cause of their latent and deteriorating medical condition until diagnosed as suffering from same within the last two (2) years.

70. The railroad owed each of these plaintiffs a duty to have him work in a safe employment environment under the Federal Employer's Liability Act.

71. The railroad, by and through its duly authorized agents, breached this duty to each plaintiff by:

- (a) Failing to provide Plaintiff with a reasonably safe work place;

- (b) Failing to furnish Plaintiff with safe and suitable tools and equipment including adequate protective masks and protective inhalation devices;
- (c) Failing to warn Plaintiff of the true nature and hazardous effects of asbestos and asbestos-containing products;
- (d) Failing to operate a locomotive repair facility in a reasonably safe manner;
- (e) Failing to provide instructions or a method for the safe use of asbestos;
- (f) Failing to provide adequate, if any, instructions in the use or removal of old asbestos products;
- (g) Failing to test asbestos-containing products prior to requiring employees to work with the same, to determine their ultra-hazardous nature;
- (h) Formulating and using a method of handling asbestos and asbestos-containing products which exposed Plaintiff to high concentrations of asbestos fibers;
- (i) Failing to provide Plaintiff with safe and proper ventilation systems in the railroad facilities;
- (j) Allowing unsafe practices to become standard practice;
- (k) Failing to exercise reasonable care in publishing and enforcing a safety plan and method of handling and installing asbestos and asbestos-containing products;
- (l) Failing to inquire of the suppliers of asbestos and asbestos-containing products, the nature of asbestos;

- (m) Requiring Plaintiff to work with ultra-hazardous asbestos and asbestos-containing products;
- (n) Failing to exercise adequate, if any, care for the health and safety of Plaintiff;
- (o) Failing to periodically test and examine Plaintiff to determine if he was subject to any ill effects of his exposure to asbestos and asbestos-containing products; and
- (p) Failing to periodically inspect its locomotives, boilers and their appurtenances in order to ascertain any contamination by asbestos fibers.

72. As a direct and proximate result of the breach of duty by the railroad, each Plaintiff was exposed to toxic asbestos and asbestos-containing products and other harmful dusts.

73. As a direct and proximate result of the negligence of the railroad, each Plaintiff has suffered personal injury, great pain, extreme anxiety, and he truly believes his injuries and disability are permanent; his earning capacity has been greatly reduced; his enjoyment of life has been greatly diminished; and his expected life span has been greatly shortened.

74. As a direct and proximate result of the negligence of the railroad, each Plaintiff, because of health problems caused by this negligence, has been forced to incur medical expenses for doctors, hospitals, drugs and health care services, and he truly believes that he will be forced to incur additional expenses in the future in an effort to treat his condition.

75. Each Plaintiff was a strong, able-bodied worker capable of gainful employment at the time of the manifestation of his illness. As a result of his illness, each Plaintiff has suffered damages by way of lost wages and a diminished ability to render services, society, affection, counseling and support to his household.

WHEREFORE, each plaintiff claims compensatory damages in the amount deemed sufficient by the jury with interest and costs of suit herein.

COUNT XII (ALL DEFENDANTS)

(Punitive Damages)

76. The Plaintiffs repeat and reallege all allegations contained in paragraphs 33 through 60 above.

77. The acts of all of the defendants named herein were willful, wanton, malicious and in total disregard for the rights, health and safety of the Plaintiffs and others.

78. As a direct and proximate result of these acts, Plaintiffs developed severe, permanent and disabling lung diseases and suffered the damages and losses enumerated in Count I above.

WHEREFORE, the Plaintiffs individually demand judgment against all defendants herein named for punitive damages in an amount deemed just by the jury, with interest and costs of suit herein.

RELIEF AND JURY DEMAND

WHEREFORE, Plaintiffs demand judgement against the defendants and each of them, individually, jointly and severally in an amount to be determined by the trier of fact for both compensatory and punitive damages, plus court costs of suit, and other further relief as is just and proper, including trial by jury of all issues so triable.

ANSWER OF FORD MOTOR COMPANY

Comes now the defendant, Ford Motor Company, by counsel, and responds to the allegations contained in plaintiffs' Amended Complaint as follows:

1. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations contained in paragraph 1 and all subparts thereof of plaintiffs' Amended Complaint and, therefore, denies same and demands strict proof thereof.
2. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations contained in paragraph 2 of plaintiffs' Amended Complaint except to the extent that Ford denies that any of the named defendants are West Virginia corporations and admits that it is a corporation incorporated under the laws of the State of Delaware with its principal place of business located in Michigan.
3. Ford is without sufficient information or knowledge to form a belief as to the truth of all the allegations contained in paragraph 3 of plaintiffs' Amended Complaint except that Ford admits that it is registered to do business in the State of West Virginia.
4. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations contained in paragraph 4 of plaintiffs' Amended Complaint and, therefore, denies same and demands strict proof thereof.

5. Ford denies the allegations contained in paragraph 5 of plaintiffs' Amended Complaint.

Count I - Negligence

6. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations contained in paragraph 6 of plaintiffs' Amended Complaint and, therefore, denies same and demands strict proof thereof.

7. Ford denies the allegations contained in paragraph 7 of plaintiffs' Amended Complaint insofar as said allegations pertain to Ford.

8. Ford denies the allegations contained in paragraph 13 of plaintiffs' Amended Complaint insofar as said allegations pertain to Ford.

9. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations contained in paragraph 14 of plaintiffs' Amended Complaint and, therefore, denies same insofar as said allegations pertain to Ford.

Count II - Strict Liability

10. For its answer to Count II, paragraph 10 of plaintiffs' Amended Complaint, Ford adopts and incorporates herein by reference its answers to paragraphs 1 through 9 inclusive of Counts I and II of the Complaint as if same were set forth fully herein verbatim.

11. Ford denies the allegations contained in paragraph 11 of Count II of plaintiffs' Amended Complaint insofar as said allegations pertain to Ford.

12. Ford denies the allegations contained in paragraph 12 of Count II of plaintiffs' Amended Complaint insofar as said allegations pertain to Ford.

13. Ford denies the allegations contained in paragraph 13 of Count II of plaintiffs' Amended Complaint insofar as said allegations pertain to Ford.

Count III- Conspiracy

14. Ford is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in paragraphs 14, 15 and 16 and all subparts thereof and paragraph 17 and all subparts thereof of Count III of plaintiffs' Amended Complaint and, therefore, denies same insofar as said allegations pertain to Ford.

Count IV - Loss of Consortium

15. For its answer to Count IV, paragraph 18 of plaintiffs' Amended Complaint, Ford adopts and incorporates herein by reference its answers to paragraphs 1 through 17, inclusive of Counts I, II, III and IV of the Amended Complaint as if same were set forth fully herein verbatim.

16. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations contained in paragraph 19 and, therefore, denies same and demands strict proof thereof.

Count V (PPG Only)

(Negligence)

17. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations contained in paragraphs 33 (sic), 34 (sic), 35 (sic), 36 (sic), 37(sic), 38(sic), 39(sic), 40(sic) and all subparts thereof and 41(sic) of Count V of plaintiffs' Amended Complaint and, therefore, denies same insofar as said allegations pertain to Ford.

Count VI (PPG Only)

18. For answer to paragraph 42(sic) of Count VI of plaintiffs' Amended Complaint, Ford adopts and incorporates herein by reference its answers to paragraphs

33(sic) through 41(sic), inclusive of Count V of plaintiffs' Amended Complaint as if same were set forth fully herein verbatim.

19. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations contained in paragraphs 43(sic), 44(sic), 45(sic), 46(sic) and 47(sic) of Count VI of plaintiffs' Amended Complaint and, therefore, denies same insofar as said allegations pertain to Ford.

Count VII (PPG Only)

20. For answer to paragraph 48(sic) of Count VII of plaintiffs' Amended Complaint, Ford adopts and incorporates herein by reference its answers to paragraphs 33(sic) through 47(sic) inclusive of Counts V and VI of the Amended Complaint as if same were set forth fully herein verbatim.

21. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations set forth in paragraphs 49(sic), 50(sic), 51(sic) and all subparts thereof and 52(sic) of plaintiffs' Amended Complaint and, therefore, denies same insofar as said allegations pertain to Ford.

Count VIII (PPG Only)

22. In answer to paragraph 53(sic) of Count VIII of plaintiffs' Amended Complaint, Ford adopts and incorporates herein by reference its answers to paragraphs 33(sic) through 52(sic), inclusive of Counts V, VI and VII of the Amended Complaint as if same were set forth fully herein verbatim.

23. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations set forth in paragraphs 54(sic) and 55(sic) of plaintiffs' Amended Complaint and, therefore, denies same insofar as same pertain to Ford.

Count IX (PPG Only)

(Conspiracy)

24. For answer to paragraph 56(sic) of Count IX of plaintiffs' Amended Complaint, Ford adopts and incorporates herein by reference its answers to paragraphs 33(sic) through 55(sic), inclusive of Counts V, VI, VII and VIII of plaintiffs' Amended Complaint as if same were fully set forth herein verbatim.

25. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations contained in paragraphs 57(sic), 58(sic), 59(sic) and 60(sic) of Count IX of plaintiffs' Amended Complaint and, therefore, denies same insofar as said allegations pertain to Ford.

Count X

(FELA - Railroad Defendants Only)

26. Ford is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in paragraphs 61(sic), 62(sic), 63(sic), 64(sic) and 65(sic) of Count X of plaintiffs' Amended Complaint and, therefore, denies same insofar as said allegations pertain to Ford.

Count XI

(FELA)

27. Ford is without sufficient information or knowledge to form a belief as to the truth of the allegations contained in paragraphs 66(sic), 67(sic), 68(sic), 69(sic), 70(sic), 71(sic) and all subparts thereof, 72(sic), 73(sic), 74(sic) and 75(sic) of Count XI of plaintiffs' Amended Complaint and, therefore, denies same insofar as said allegations pertain to Ford.

Count XII (All Defendants)

(Punitive Damages)

28. For answer to paragraph 76(sic) of Count XII of plaintiffs' Amended Complaint, Ford adopts and incorporates herein by reference its answers to paragraphs 33(sic) through 60(sic) of plaintiffs' Amended Complaint as if same were set forth fully herein verbatim.

29. Ford denies the allegations contained in paragraph 77(sic) of plaintiffs' Amended Complaint insofar as said allegations pertain to Ford.

30. Ford denies the allegations contained in paragraph 78(sic) of Count XII of plaintiffs' Amended Complaint insofar as said allegations pertain to Ford.

31. Ford denies all allegations set forth in plaintiffs' Amended Complaint which are not specifically admitted.

32. Ford denies that the plaintiffs are entitled to any damages or awards, fees or other relief.

First Affirmative Defense

Plaintiffs' Amended Complaint fails or may fail to state a cause of action upon which relief may be granted.

Second Affirmative Defense

The right of action, if any, as set forth by the plaintiffs in the Amended Complaint is barred by the applicable statute of limitations or doctrine of laches.

Third Affirmative Defense

If the plaintiffs have sustained any injuries or damages as alleged in the Amended Complaint, all of which Ford specifically denies, then such injuries and

damages were caused or contributed to by reason of the negligence of the said plaintiffs or plaintiffs' decedent or other persons, corporations, or entities who may or may not be parties to this litigation.

Fourth Affirmative Defense

Plaintiffs have failed to join indispensable parties needed to provide just adjudication of this matter and complete relief.

Fifth Affirmative Defense

Plaintiffs or plaintiffs' decedents had knowledge and assumed the risk incident to the injuries and damages alleged in the Amended Complaint, and the injuries and damages alleged to have been sustained by the plaintiffs or their decedents were caused by and arose out of such risk.

Sixth Affirmative Defense

The plaintiffs or their decedents were guilty of negligence equal to or greater than the combined negligence, if any, alleged against the defendants, which negligence of said plaintiffs or their decedents proximately caused or contributed to the injuries and damages about which said plaintiffs complain.

Seventh Affirmative Defense

Ford denies that there existed any warranties, express or implied, between it and the plaintiffs or their decedents at all times relevant hereto as set forth in the Amended Complaint.

Eighth Affirmative Defense

Ford has breached no warranties, express or implied, which may have existed between it and the plaintiffs and plaintiffs' decedents at all times relevant hereto as set forth in the Amended Complaint.

Ninth Affirmative Defense

Any claims of the plaintiffs are barred by the intervening and superseding activity of third parties over which Ford had no control.

Tenth Affirmative Defense

Since the plaintiffs have not alleged that asbestos products of Ford caused the injuries and damages of which said plaintiffs complain, the Amended Complaint fails to state a cause of action upon which relief can be granted and, should said relief be granted, it would contravene Ford's constitutional rights to substantive and procedural due process of law and equal protection of law as preserved by the Fourteenth Amendment of the United States Constitution and by the applicable provisions of the Constitution of West Virginia, and would further contravene Ford's constitutional rights to protection against the taking of property without just compensation as preserved by such constitutional provisions.

Eleventh Affirmative Defense

Ford retains its rights to seek contribution and/or indemnification against any defendant including, but not limited to, any and all manufacturers of asbestos containing materials who have filed petitions in various bankruptcy courts and consequently are not presently within the jurisdiction of this Court.

Twelfth Affirmative Defense

That at all times relevant hereto, the plaintiffs or their decedents were operating under the provisions of the existing applicable Workers' Compensation acts and statutes and that such remedies afforded under these acts are exclusive and bar this cause of action.

Thirteenth Affirmative Defense

That any alleged injuries or damages for which plaintiffs complain were sustained as a direct and proximate cause of the negligence of the said plaintiffs or plaintiffs' decedents' fellow servants engaged in the course of common employment and such negligence by fellow servants bar this action.

Fourteenth Affirmative Defense

That if the plaintiffs or their decedents sustained any injuries or damages as alleged in the Amended Complaint, all of which are specifically denied, then such injuries or damages were caused or contributed to by reason of the negligence of the said plaintiffs or their decedents by reason of, but not limited to, the plaintiffs' or plaintiffs' decedents' failure to wear appropriate safety equipment, engage in safe work practices or adequately protect themselves from harm or risk.

Fifteenth Affirmative Defense

That the plaintiffs or their decedents have failed to mitigate any and all alleged damages, the existence of which and the extent of which is all specifically denied by Ford.

Sixteenth Affirmative Defense

Ford asserts the defense of lack of jurisdiction over the person of Ford Motor Company, lack of jurisdiction over the subject matter; the Circuit Court of Kanawha County, West Virginia, is an improper venue for Ford Motor Company; and lack of service of process and/or insufficiency of service of process over the defendant, Ford Motor Company; waiver; estoppel and such other defenses as may be enumerated under Rules 8(a) and 12(b) of the West Virginia Rules of Civil Procedure.

Seventeenth Affirmative Defense

Ford adopts and incorporates herein by reference all other affirmative defenses invoked by any other defendant not specifically enumerated herein and further reserves the right to assert any defense as may be divulged through discovery in this case.

Eighteenth Affirmative Defense

Plaintiffs have no cause of action for punitive or exemplary damages and the Amended Complaint fails to state a claim upon which relief can be granted for punitive or exemplary damages.

Nineteenth Affirmative Defense

That any punitive damage award that plaintiffs might recover would violate Ford's rights under the United States and West Virginia Constitutions to due process and equal protection of law as guaranteed by the Fifth, Eighth and Fourteenth Amendments to the United States Constitution and Article III, Sections 5 and 10 of the West Virginia Constitution.

Twentieth Affirmative Defense

That the loss of consortium action of the plaintiff wives, as set forth in Count IV of the Amended Complaint, are derivative actions and, in the event the husband plaintiffs are barred from recovery, the said wife plaintiffs cannot recover any damages from Ford.

Twenty-First Affirmative Defense

Ford is in no way strictly liable in tort to the plaintiffs.

Twenty-Second Affirmative Defense

Ford is not liable for or responsible for the injuries and damages as alleged in the Amended Complaint.

Twenty-Third Affirmative Defense

Although Ford denies the allegations contained in the Amended Complaint regarding culpability on its part, if plaintiffs prove injury, any causal connection between Ford and such injury is too remote, indefinite and speculative to serve as a basis for recovery against Ford.

Twenty-Fourth Affirmative Defense

Plaintiffs' exposure to Ford products, if any, were minimal, *de minimis* and insufficient to establish a reasonable degree of probability that any such product caused any alleged injury, damage or loss to plaintiffs.

Twenty-Fifth Affirmative Defense

Although Ford denies all allegations contained in the Amended Complaint regarding culpability on its part, if plaintiffs prove exposure to respirable asbestos fibers omitted from a Ford product or products, plaintiffs' or plaintiffs' decedents' use of the product constitutes misuse and/or abuse as to change substantially the condition of the product prior to his exposure and injury, thereby barring plaintiffs' recovery against Ford.

Twenty-Sixth Affirmative Defense

Any absence of warnings on any product did not lead to reliance by plaintiffs or their decedents on the safety of any such product.

Twenty-Seventh Affirmative Defense

The state of the medical, scientific and industrial knowledge, art, and practice was at all material times such that Ford neither breached any alleged duty owed to the plaintiffs or their decedents nor knew or could have known that its product presented a foreseeable risk or harm to plaintiffs or their decedents in connection with the normal and expected use of such product.

Twenty-Eighth Affirmative Defense

At all relevant times, Ford products complied with industry standards and with federal and state standards and regulations governing the manufacturer, sale, packaging, and distribution of such products.

Twenty-Ninth Affirmative Defense

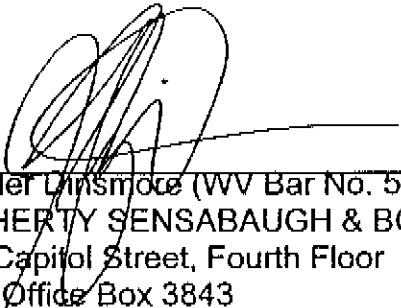

If any products manufactured and sold by Ford, which allegedly give rise to plaintiffs' claims, were designed and manufactured to and in accordance with the standards of or specifications mandated by the United States Government and its agents, the knowledge of the United States Government and its agencies of any possible health hazards from use of such products was equal or superior to that of this defendant, and by reason thereof this defendant is entitled to assume any immunity from liability which exists in favor of the United States Government or its agencies.

P R A Y E R

WHEREFORE, Ford Motor Company demands that the Amended Complaint against it be dismissed and that it have judgment against the plaintiffs for costs on its behalf expended and for such other and further relief as this Honorable Court deems proper.

DEFENDANT RESPECTFULLY DEMANDS A TRIAL BY JURY.

Plaintiffs

vs.

OWENS-CORNING FIBERGLAS
CORPORATION, et al.,

Defendants

**ANSWER AND AFFIRMATIVE DEFENSES OF GENERAL MOTORS
CORPORATION TO PLAINTIFFS' COMPLAINT**

Now, comes the defendant, General Motors Corporation (hereinafter "GM"), and files the
within Answer and Affirmative Defenses to Plaintiffs' Complaint:

{D0023204:1}

FIRST DEFENSE

1-5. GM is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in paragraphs 1-5 of the Complaint other than that GM does admit that it is incorporated under the laws of a state other than West Virginia and has done business in the state of West Virginia.

COUNT I - NEGLIGENCE

6-9. The allegations of paragraphs 6-9 of the Complaint are denied as stated insofar as they pertain to GM. GM denies that it was negligent in any manner whatsoever, that any product manufactured or supplied by it to which the plaintiffs were exposed was unreasonably dangerous, or that any such product played a causative role in the plaintiffs' alleged disease processes.

WHEREFORE, General Motors Corporation denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT II - STRICT LIABILITY

10. GM incorporates by reference its response to paragraphs 1-9 of the Complaint as if the same were set forth at length herein.

11-13. The allegations of paragraphs 11-13 of the Complaint are denied as stated insofar as they pertain to GM. GM denies that it is liable in any manner whatsoever, denies that any product manufactured or supplied by it to which the plaintiffs were exposed was in a defective condition and unreasonably dangerous, and that any such product played a causative role in the plaintiffs' alleged disease processes.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT III - CONSPIRACY

14-17. The allegations of paragraphs 14-17 of the Complaint are denied insofar as they pertain to GM. GM denies that it engaged in any of the conduct set forth in these paragraphs and further denies that any product manufactured or supplied by it to which the plaintiffs were exposed was unreasonably dangerous, in a defective condition, and/or otherwise caused or contributed to the plaintiffs' alleged disease processes. Insofar as the allegations of paragraphs 14-17 pertain to defendants other than this defendant, GM is without knowledge or information sufficient to form a belief as to the truth of those allegations, which are therefore deemed to be denied.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT IV - LOSS OF CONSORTIUM

18. To the extent necessary, GM incorporates by reference its response to paragraphs 1-17 of the Complaint as if the same were set forth at length herein. As to the remaining allegations of paragraph 18, GM is without knowledge or information sufficient to form a belief as to the truth of those allegations, which are therefore deemed to be denied.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT V (PPG ONLY)

(Negligence)

33-41. The allegations of paragraphs 33-41 of the Complaint are directed toward a defendant other than this defendant and, accordingly, no response is necessary.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT VI (PPG ONLY)

42-47. The allegations of paragraphs 42-47 of the Complaint are directed toward a defendant other than this defendant and, accordingly, no response is necessary.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT VII (PPG ONLY)

48-52. The allegations of paragraphs 48-52 of the Complaint are directed toward a defendant other than this defendant and, accordingly, no response is necessary.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT VIII (PPG ONLY)

53-55. The allegations of paragraphs 53-55 of the Complaint are directed toward a defendant other than this defendant and, accordingly, no response is necessary.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT IX (PPG ONLY)

(Conspiracy)

56-60. The allegations of paragraphs 56-60 of the Complaint are directed toward a defendant other than this defendant and, accordingly, no response is necessary.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT X

(FELA-Railroad Defendants Only)

61-65. The allegations of paragraphs 61-65 of the Complaint are directed toward a defendant other than this defendant and, accordingly, no response is necessary.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT XI-(FELA)

66-75. The allegations of paragraphs 66-75 of the Complaint are directed toward a defendant other than this defendant and, accordingly, no response is necessary.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

COUNT XII (ALL DEFENDANTS)

(Punitive Damages)

76. GM incorporates by reference its response to paragraphs 1-75 of the Complaint as if the same were set forth at length herein.

77-78. The allegations of paragraphs 77-78 of the Complaint are denied as stated insofar as they pertain to GM. GM denies that it is liable in any manner whatsoever, denies that any product manufactured or supplied by it to which the plaintiffs were exposed was in a defective condition unreasonably dangerous, denies that any such product played a causative role in the plaintiffs' alleged disease processes, and denies that it engaged in any of the conduct set forth in paragraph 77 of the Complaint.

WHEREFORE, GM denies that it is liable in any manner whatsoever and demands judgment in its favor with costs sustained.

SECOND DEFENSE

The right of action, if any, as set forth by the plaintiffs in the Complaint is barred by the applicable Statute of Limitations or Statute of Repose.

THIRD DEFENSE

Plaintiffs fail to state a cause of action against GM upon which relief can be granted.

FOURTH DEFENSE

If the plaintiffs sustained any injuries or damages as alleged in the Complaint, all of which GM specifically denies, then such injuries and damages were caused or contributed to by reasons of the negligence of plaintiffs or other persons, corporations, or entities who may or may not be parties to this litigation.

FIFTH DEFENSE

Plaintiffs have failed to join indispensable parties needed to provide just adjudication of this matter and complete relief.

SIXTH DEFENSE

Plaintiffs had knowledge of and assumed the risk with regard to the injuries and damages alleged in the Complaint, and the injuries and damages alleged to have been sustained by said plaintiffs were caused by and arose out of such risks.

SEVENTH DEFENSE

Plaintiffs were guilty of negligence equal to or greater than the combined negligence, if any, alleged against the defendants, including GM, which negligence of said plaintiffs proximately caused or contributed to the alleged injuries and damages about which plaintiffs complain.

EIGHTH DEFENSE

GM denies that there existed any warranties, express or implied between it and the plaintiffs at the times and places set forth in the Complaint.

NINTH DEFENSE

GM has breached no warranties, express or implied, which may have existed between it and the plaintiffs at the times and places set forth in the Complaint.

TENTH DEFENSE

Any claims of the plaintiffs are barred by the intervening and superseding activity of third parties over which GM has no control.

ELEVENTH DEFENSE

Since plaintiffs did not allege that products containing asbestos manufactured and/or supplied by GM allegedly caused the injuries and damages of which said plaintiffs complain, the Complaint fails to state a cause of action upon which relief can be granted and, should said relief

be granted, it would contravene GM's constitutional rights to substantive and procedural due process of law and equal protection of law as preserved by the Fourteenth Amendment of the United States Constitution and by the applicable provisions of the Constitution of West Virginia and further would contravene GM's constitutional rights to protection against the taking of property without just compensation as preserved by such constitutional provisions.

TWELFTH DEFENSE

GM retains its rights to seek contribution and/or indemnification against any and all manufacturers of asbestos-containing materials and/or suppliers of asbestos and asbestos-containing materials who have filed petitions in various bankruptcy courts and consequently are not presently within the jurisdiction of this Court, including but not limited to Johns-Manville Sales Corporation, Unarco, 48 Insulations, Amatex Corporation, Nicolet, Raymark, Celotex, Carey Canada, National Gypsum, Eagle Picher Industries, etc.

THIRTEENTH DEFENSE

There is no privity between the plaintiffs and GM and such lack of privity bars this action.

FOURTEENTH DEFENSE

At all times relevant hereto, plaintiffs were working and/or were employed under the provisions of the applicable Workers' Compensation Act and statutes and such remedies under those Acts and Statutes are exclusive and, therefore, bar this action.

FIFTEENTH DEFENSE

Any alleged injuries and damages for which the plaintiffs complain were sustained as a direct and proximate result of the negligence of plaintiffs' fellow servants engaged in the course

of common employment with plaintiffs and such negligence by fellow servants bars this cause of action.

SIXTEENTH DEFENSE

GM asserts that the sale of products containing asbestos, if any, made by GM were made to sophisticated users of said products, and, as such, such sales to sophisticated user(s) of the products bars any claim of liability against GM.

SEVENTEENTH DEFENSE

GM asserts that the Court lacks personal jurisdiction over the person and subject matter of GM, lacks venue over GM, and lacks proper process and/or sufficiency of service of process over the defendant, GM.

EIGHTEENTH DEFENSE

GM adopts and incorporates herein by reference all of the affirmative defenses invoked by any and all other defendants not specifically enumerated herein and further reserves its rights to assert any and all applicable affirmative defenses as may be appropriate under the facts and circumstances of this case.

NINETEENTH DEFENSE

Plaintiffs have no cause of action for alleged exemplary or punitive damages since the same is an inappropriate remedy under the facts and circumstances of this case and plaintiffs' cause of action, if any, for exemplary or punitive damages fails for lack of sufficient allegations, in particularity, and with specificity.

TWENTIETH DEFENSE

If plaintiffs sustained any injuries or damages as alleged in the Complaint, all of which GM specifically denies, then such injuries and damages were caused or contributed to be reasons of the negligence of said plaintiffs, by reason of, but not limited to, said plaintiffs' failure to wear a respirator, engage in safe work practices or to adequately protect themselves from risk of harm.

TWENTY-FIRST DEFENSE

Plaintiffs' claim for punitive damages is a violation of the due process of law clause of the Fourteenth Amendment of the United States Constitution, is a violation of the Eighth Amendment prohibition of ex post facto laws and laws impairing the obligations of contracts contained in Section 10, Paragraph 1, of Article I of the United States Constitution and is a violation of Article 3, Section 10 of the West Virginia Constitution.

/ **TWENTY-SECOND DEFENSE**

GM denies any liability whatsoever to the plaintiffs. However, if GM is held to answer under the allegations set forth against it, then all other defendants are jointly and severally liable with GM. Accordingly, GM is entitled to contribution from said defendants for any amount that GM may be required to pay and is entitled to have the relative degrees of fault determined. Furthermore, GM is entitled to indemnification from all other defendants for any other amount that GM may be required to pay arising out of the above-captioned matter.

TWENTY-THIRD DEFENSE

The products that contained asbestos, if any, provided to plaintiffs' employer(s) met with all requirements, standards and specifications of their employers and of governmental agencies and any regulations promulgated by such entities.

{D0023204.1}

TWENTY-FOURTH DEFENSE

The alleged injuries and damages of which the plaintiffs complain were caused by unauthorized, unattended, or improper use of the products complained of, and as a result of failure to exercise reasonable and ordinary care, caution and vigilance, for which GM is not liable or not responsible.

TWENTY-FIFTH DEFENSE

If it is determined that any products of GM were substantially and materially changed in condition, misused or abused, were used in any unintentional or unforeseeable manner, the claims against GM are barred.

TWENTY-SIXTH DEFENSE

If it is determined that plaintiffs used products manufactured by GM in accordance with the designs and specifications of the United States of America or the State of West Virginia, the claims against GM are barred.

TWENTY-SEVENTH DEFENSE

If it is determined that plaintiffs were exposed to any alleged GM products, which products or components of those products were acquired from or sold by or used on behalf of the United States of America or the State of West Virginia then GM is entitled to any sovereign or governmental immunity available to the United States or the State of West Virginia.

TWENTY-EIGHTH DEFENSE

At all times material to plaintiffs' claim, the state of medical and scientific knowledge accorded GM neither knowledge nor reason to know of a foreseeable risk of harm to plaintiffs.

TWENTY-NINTH DEFENSE

The exposure of plaintiffs to any products of GM was so minimal as to be insufficient to establish a reasonable degree of probable certainty that a product of GM caused the injuries claimed.

THIRTIETH DEFENSE

The products that contained asbestos that were manufactured, supplied, produced or otherwise placed in the stream of commerce by this defendant were made so that the asbestos fibers were encapsulated in other material which would prevent the release of such fibers upon the use of said product.

THIRTY-FIRST DEFENSE

GM alleges that the plaintiffs have failed to notify GM of any alleged defects within a reasonable time after the plaintiffs knew or should have known of the alleged defects in said products, which defects GM denies, and therefore, plaintiffs are barred from recovery.

THIRTY-SECOND DEFENSE

The imposition of punitive damages in this action violates GM's constitutional right of due process under the West Virginia and United States Constitutions because it creates an unnecessary and undue risk of an improper verdict on the issue of liability, on the measure of compensatory damages, on the issue of whether to award punitive damages and on the measure of punitive damages.

THIRTY-THIRD DEFENSE

GM asserts that any awards of punitive damages would violate the United States Constitution in that:

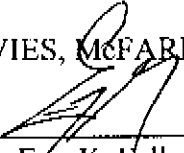

{D00023204.1}

- (a) Any instruction defining conduct warranting punitive damages is vague and violates the Fifth and Fourteenth Amendments to the United States Constitution;
- (b) An allowance of punitive damages in this case would violate the Commerce Clause, Article One, Section 8, United States Constitution; and
- (c) An allowance of punitive damages in this case would expose GM to multiple awards of punitive damages and thereby subject it to double jeopardy for the same alleged acts.
